Scoil Naomh Caitríona Bí Cineálta Policy to Prevent and Address Bullying Behaviour

The Board of Management of Scoil Naomh Caitríona has adopted the following policy to prevent and address bullying behaviour.

This policy fully complies with the requirements of *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools 2024*.

The board of management acknowledges that bullying behaviour interferes with the rights of the child as set out in the United Nations Convention on the Rights of the Child. We all, as a school community, have a responsibility to work together to prevent and address bullying behaviour and to deal with the negative impact of bullying behaviour.

We are committed to ensuring that all pupils who attend our school are kept safe from harm and that the wellbeing of our pupils is at the forefront of everything that we do. We recognise the negative impact that bullying behaviour can have on the lives of our pupils and we are fully committed to preventing and addressing bullying behaviour.

We confirm that we will, in accordance with our obligations under equality legislation, take all such steps that are reasonably practicable to prevent the harassment of pupils or staff on any of the nine grounds specified: gender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveler community.

Definition of bullying

Bullying is defined in *Cineáltas: Action Plan on Bullying* and *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools* as targeted behaviour, online or offline that causes harm. The harm caused can be physical, social and/or emotional in nature. Bullying behaviour is repeated over time and involves an imbalance of power in relationships between two people or groups of people in society. The detailed definition is provided in Chapter 2 of the Bí Cineálta procedures.

Each school is required to develop and implement a Bí Cineálta policy that sets out how the school community prevents and addresses bullying behaviour. Strategies to deal with inappropriate behaviour that is not bullying behaviour are provided for within the school's Code of Behaviour.

Section A: Development/review of our Bí Cineálta policy to prevent and address bullying behaviour

All members of our school community were provided with the opportunity to input into the development/review of this policy.

Section B: Preventing Bullying Behaviour

This section sets out the prevention strategies that will be used by the school. These include strategies specifically aimed at preventing online bullying behaviour, homophobic and transphobic bullying behaviour, racist bullying behaviour, sexist bullying behaviour and sexual harassment as appropriate (see Chapter 5 of the Bí Cineálta procedures):

Culture and Environment

We strive to

- Create a school culture where bullying behaviour is unacceptable and there is a consistent approach to addressing bullying behaviour.
- Involve parents as active partners in fostering an environment where bullying behaviour is not tolerated.
- Support the idea that our school is a telling environment.
- Promote the concept of a trusted adult – stay safe linkage – who to tell.
- Create safe spaces in our school building and yards – visibility

- Encourage a sense of belonging with ownership over their own space through art and creativity.
- Create a positive school culture and climate which is welcoming of difference and diversity and is based on inclusivity;
- Encourage pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promote respectful relationships across the school community;

Ways in which we work to achieve these goals are as follows

- Modelling of respectful behaviour.
- Regular conversations with pupils about relationships
- Dealing with issues quickly
- Mobile phone policy
- Staff are briefed on the uniform approach we must take to handle all reports of bullying
- Friendship Week activities such as Random acts of Kindness homework, Poster making, slogan making, etc
- Playground helpers – pupils in 5th class volunteer to support younger classes on yard to help with games and positive interactions. Minders at lunchtime also.
- Child Friendly Anti- Bullying Policy was formed with pupil input. This policy outlines various ways to tell.
- Parents receive information at times regarding useful information on Anti Bullying.
- Stay safe and SPHE lessons focusing on positive behaviour form part of curricular content in all classes.
- Effective supervision and monitoring of pupils.
- Notice board to promote kindness and build responsibility amongst pupils.

Curriculum (teaching and learning)

We strive to

- Provide teaching and promote learning which is collaborative and respectful, fostering inclusion and respect for diversity.
- Display a shared understanding of what bullying is and its impact.

Ways in which we work to achieve this

- Teach SPHE and RSE content which fosters pupil's well-being and self-confidence as well as promoting personal responsibility for their own behaviour and actions.
- Model respectful behaviour towards colleagues, pupils and visitors in our school environment.
- Curricular and Extra-curricular activities can help to develop a sense of self-worth, working together, inclusion and respect.

- Pupils are given regular opportunities to work in small groups with peers, which can help build a sense of connection, belonging and empathy.
- Acknowledgment of our diverse school population – celebrating diversity and culture in our school through art, displays, photographs and inclusion of different languages.
- Implementation of education and prevention strategies (including awareness raising measures) that build empathy, respect and resilience in pupils; and explicitly address the issues of cyber-bullying and identity-based bullying including homophobic and transphobic bullying.

Supports for staff;

- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

The aim of Scoil Naomh Cairtíona's Bí Cineálta policy is

- To raise awareness of bullying as a form of unacceptable behaviour with school management, teachers, pupils, parents/guardians.
- To promote a school ethos which encourages pupils to disclose and discuss incidents of bullying behaviour.
- To ensure appropriate supervision and monitoring measures through which all areas of school activity are kept under observation.
- To develop procedures for noting, investigating and dealing with incidents of bullying behaviour.
- To implement a programme of support for those affected by bullying behaviour and for those involved in bullying behaviour.
- To work with appropriate agencies in countering all forms of bullying and promoting anti bullying behaviour.

The Acceptable Use Policy, Supervision policy, Special Education Policy and Code of Behaviour all support the implementation of the Bi Cinealta policy.

Effective leadership is a key component with Principal, Deputy Principal, DLP, DDLP, and all middle management focused on supporting the implementation of this policy.

Relationships and Partnerships

- Interpersonal connections are supported through a range of formal and informal structures such as our parents' association and our various pupil committees and groups.
- Age and stage appropriate awareness initiatives that engage the pupils in looking at their own behaviour – promoting acts of kindness and friendship, being an active help to others

and looking at the causes of and impact of bullying during SPHE lessons.

- Conducting workshops and seminars for pupils, staff and parents to raise awareness of the impact of bullying.
- Encouraging peer mentoring and peer support
- Supporting active participation of pupils in school life and active participation of parents in school life also.
- Engaging parents and pupils in actively contributing to the formation of a Child Friendly Anti Bullying Policy to make them active participants in promotion of and discussion of useful ways to identify and reduce bullying behaviour and highlight procedure and how to deal with it if it does occur.

The school has the following supervision and monitoring policies in place to prevent and address bullying behaviour (see Chapter 5 of the Bí Cineálta procedures):

- Acceptable Usage Policy
- Code of Behaviour
- Special Education Policy
- Supervision Policy
- School Improvement Plan

Section C: Addressing Bullying Behaviour

The teacher(s) with responsibility for addressing bullying behaviour is (are) as follows: Class Teacher.

When bullying behaviour occurs, the school will:

- > ensure that the pupil experiencing bullying behaviour is heard and reassured
- > seek to ensure the privacy of those involved
- > conduct all conversations with sensitivity
- > consider the age and ability of those involved
- > listen to the views of the pupil who is experiencing the bullying behaviour as to how best to address the situation
- > take action in a timely manner
- > inform parents of those involved

The steps that will be taken by the school to determine if bullying behaviour has occurred, the approaches taken to address the bullying behaviour and to review progress are as follows (see Chapter 6 of the Bí Cineálta procedures):

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

- a. While all reports, including anonymous reports of bullying must be investigated and dealt with by the 'Relevant Teacher(s)', the 'Relevant Teacher(s)' will use his/her/their professional judgement in relation to the records to be kept of these reports, the actions taken and any discussions with those involved regarding same.
- b. If it is established by the 'Relevant Teacher(s)' that bullying has occurred, the 'Relevant Teacher(s)' must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as practicable, the relationships of the parties involved.
- c. The 'Relevant Teacher(s)' must record the bullying incident on the Log of Actions in Aladdin and give report to the Principal.

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore as far as is practicable, the relationships of the parties involved (rather than to apportion blame).

With this in mind the school's procedures are as follows

- In investigating and dealing with bullying the teacher(s) will exercise his/her/their judgement to determine whether bullying has occurred, what type if it has and how best the situation might be resolved.
- All reports, including anonymous reports of bullying must be investigated and dealt with by the 'Relevant Teacher(s)'. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report instances of bullying they are not considered to be telling tales but are behaving responsibly.
- Non-teaching staff such as secretary, SNAs and caretaker are encouraged to report any incidences of bullying behaviour witnessed by them or mentioned to them to the Class Teacher.
- Teachers should take a calm, unemotional problem-solving approach when dealing with incidents of alleged bullying behaviour reported by pupils, staff or parents.
- On being informed of an alleged incident of bullying, the teacher dealing with the report will first interview the victim(s) and discuss the feelings which the victim(s) experienced because of the bullying behaviour.
- Initial investigations of bullying will be done in class where possible but some incidents might be best investigated outside the classroom situation to ensure the privacy of all involved.
- When analysing incidents of bullying behaviour the 'Relevant Teacher(s)' should seek answers to questions of what, where, who, when and why. This should be done in a clam manner, setting an example in dealing effectively with a conflict in a non- aggressive manner.
- If a group is involved each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for her account of what happened to ensure that everyone in the group is clear about the other's statements.
- Each member of a group should be supported through the possible pressures that they may face from the other members of the group after interview by the teacher.
- Where the 'Relevant Teacher(s)' has/have determined that a pupil has been engaged in bullying behaviour, it should be made clear to her how she is in breach of the school's anti-bullying policy and efforts should be made to try to get her to see the perspective of the pupil being bullied.
- The "Relevant Teacher" does not apportion blame but should make an effort to try to get her to see the situation from the perspective of the pupil being bullied. S/he emphasises that the intention is not to punish perpetrators but to talk to them, to explain how harmful and hurtful bullying is and to seek a promise that it will stop. If that promise is forthcoming and is honoured there will be no penalty and that will be the end of the matter.
- When an investigation is completed and/or a bullying situation is resolved the "Relevant Teacher" will complete a report, to include the findings of the investigation, the strategy adopted and the outcome of the intervention, as well as any other relevant information. This may be recorded on Aladdin and passed to the Principal
- If a pupil chooses to continue the bullying behaviour, this can then no longer be considered a once off occurrence. In this event parent(s)/guardian(s) will be contacted. The school should give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports for the pupil.
- Follow-up meetings with the relevant parties involved may be arranged separately with a view

to bringing them together at a later date if the pupil who has been bullied is ready and agreeable.

- Repeated incidents of bullying behaviour will result in the imposition of sanctions. Such sanctions will be proportionate to the seriousness of the bullying behaviour. It must be made clear to all involved (each set of pupils and parents) that in any situation where disciplinary sanctions are required that this is a private matter between the pupil being disciplined, her parents and the school.
- Where a parent is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent must be referred to the school's complaints procedure.
- In the event that a parent has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parents of their rights to make a complaint to the Ombudsman for Children.
- The School will maintain care for the victim over time. This will be done by speaking to the pupil a number of weeks after the incident to check on her continuing welfare. The pupil's parents will also be consulted.
- If a pupil makes a report of bullying, but asks that nothing is to be done about it, the relevant teacher will support the pupil appropriately to explore how it will be handled sensitively and how parents may be notified. If a parent does so, they must submit in writing that they require no further action to be taken, but even so, the school may still deem it necessary to be investigated and handled appropriately.

The school will use the following approaches to support those who experience, witness and display bullying behaviour (see Chapter 6 of the Bí Cineálta procedures):

The school's programme of support for working with pupils affected by bullying involves a whole school approach. Given the complexity of bullying behaviour, no one intervention/support programme works in all situations.

Supporting Bullied pupils

- Listening to the pupil, be empathetic, reassure the pupil
- Ending the bullying behaviour
- Fostering respect for bullied pupils and all pupils
- Fostering greater empathy towards and support for bullied pupils
- Indicating clearly that the bullying is not the fault of the targeted pupil through annual awareness-raising programmes.
- Where necessary advise parents re contacting outside agencies for pupils who have been bullied ie play therapists.
- Help pupil with strategies, ie role play how to say 'I don't like what you are doing.'
- Indicating clearly that the bullying is not the fault of the targeted pupil through the speedy identification of those responsible and speedy resolution of bullying situations
- Helping bullied pupils raise their self-esteem by encouraging them to become involved in

activities that help develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school).

Supporting Bullying pupils

- Making it clear that bullying pupils who reform are not blamed or punished and get a 'clean sheet,'
- Making it clear that bullying pupils who reform are doing the right and honorable thing and giving them praise for this,
- Helping those who need to raise their self-esteem by encouraging them to become involved in activities that develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school),
- Using learning strategies throughout the school and the curriculum to help enhance pupils' feelings of self-worth,
- In dealing with negative behavior in general, encouraging teachers and parents to focus on, challenge and correct the behaviour while supporting the pupil,
- In dealing with bullying behaviour seeking resolution and offering a fresh start with a 'clean sheet' and no blame in return for keeping a promise to reform.

All bullying behaviour will be recorded. This will include the type of behaviour, where and when it took place, and the date of the engagement with pupils and parents. The actions and supports agreed to address bullying behaviour will be documented. If the bullying behaviour is a child protection concern the matter will be addressed without delay in accordance with *Child Protection Procedures for Primary and Post-Primary Schools*.

Section D: Oversight

The Principal will present an update on bullying behaviour at each board of management meeting. This update will include the number of incidents of bullying behaviour that have been reported since the last meeting, the number of ongoing incidents and the total number of incidents since the beginning of the school year. Where incidents of bullying behaviour have occurred, the principal will also provide a verbal update which will include where relevant, information relating to trends and patterns identified, strategies used to address the bullying behaviour and any wider strategies to prevent and address bullying behaviour where relevant. This update does not contain personal or identifying information. See Chapter 7 of the Bí Cineálta procedures.

This policy is available to our school community on the school's website and in hard copy on request. A pupil friendly version of this policy is displayed in the school and is also available on our website and in hard copy on request.

This policy and its implementation will be reviewed, following input from our school community, each calendar year or as soon as practicable after there has been a material change in any matter to which this policy refers.
